

Ribadão S.A. is an industrial Portuguese exotic wood company, with national and international presence.

As we expand, we are seeking to recruit an **Export Technician**.

Candidate requirements:

- Fluent in English/French (required)
- Experience in exportation and prospection in international markets
- BA/Master's relevant to the position
- Prospection/promoting the company with the objective of consolidating and expanding business
- Establish new partnerships, gain new international clients, and promote client portfolios
- Support, implement, and develop the international commercial strategy of the company
- Be willing to travel internationally
- Representation of the company in international conventions
- Resides in Coimbra or Viseu

Candidates that meet all of the above can apply. Send your CV with a cover letter to ricardo.andrade@ribadao.pt
